Chief Wayne Hall came to show the Selectmen the sample uniforms that were sent to him to show the Selectmen. The Selectmen said that they would like this issue tabled until next week's meeting.

Chief Hall asked the Selectmen if they would approve him to order ammo and came with three quotes. The cheapest Company was Eagle Point that has a contract with the state. Chief Hall said that he called them and they have the ammo in stock and he can get it right away but if he waits and has to order from the warehouse it will take anywhere from 30 to 365 days to receive it. Chief Hall said that some was Practice Ammo and some would be Duty Ammo. Chief Hall said that if a firearm was traded in the ammo would go with the firearm so there would be no loss.

Davis/Ladd (3/0 approved) motion to allow Chief Hall to buy the ammo that he needs.

Chief Hall said that his computer is now wireless as of this week.

Chief Hall said that he learned a lot at the Conference.

Suzanne told the Selectmen that Mike Lynch came into the office and was wondering if the Selectmen would allow him to close the southern end of the Town Hall Road for the winter and just plow the snow there.
