

Town of Stratford
Application for Construction on Class VI and Private
Roads

Please describe the form of construction you would like the Board to consider:

Every application to the Board requesting that the Board authorize construction on a Class VI or Private Road shall be made in writing and be accompanied by a **map drawn to scale** showing:

- a) The location and size of the lot and its relation to the Class VI or Private Road and the Class V or better road which allows access to the Class VI or Private Road;

- b) The specific location of all proposed structures;

- c) The location and length of the driveway giving access to the structures from the Class VI or Private Road;

- d) Any other information which the Board may reasonably require including, but not limited to, the location and condition/capacity of any existing bridges or culverts, impacts to wetlands, road grade and a plan describing continued maintenance for the road you are requesting authorization on.

Please attach the following documents to your application.

_____ Verification that a Liability Waiver has been properly recorded at Registry of Deeds.

_____ Copy of Map (showing location & size of lot, location of all proposed structures, location and length of driveway and relationship of lot to the Class VI/Private Road the Class V Road that provides access).

_____ Copy of Property Deed.

_____ Copy of Abutter's List.
