Went over the 2016 budget
Talked about the Baldwin building roof. Ron called Rodd roofing telling them they can start anytime but have to wait until June for payment.
Discussed what to do with the new area by the Catholic cemetery. Charlie will talk with Ed Poulin about making that area smoother so it can be mowed. Wait until next year before we have it harrowed and seeded. Let the area settle first.
We want to install some stakes along the border lines to define the mowing areas.
At Baldwin, want to cut some more brush along the bank on the south side.
Center, want to get rid of the cement block border around the Charlies Willey lot. Falling apart, getting in the road and a safety hazard.
