Selectmen's Meeting Minutes
June 1, 2016 - Fuller Town Hall @ 3:30 p.m.

Selectmen present: Ladd, Davis and Macdonald: Others present: Steve Guinard, Mike Lynch and Dave Laney
Jamie started the meeting with the Pledge of Allegiance.(Larry was not in attendance at this point)

Steve Guinard came to ask the Selectmen for a payment plan to pay Liens on his property so that the town would not take his house/property. Steve said that he has a large Income Tax Return coming and he would be giving the town all of it. Steve also said that he would be in tomorrow with $782.61, he would pay what is owed for 2014 will be paid by the end of the year and what is owed for 2015 will be paid in the spring. The Selectmen said that he was in the same situation last year and they did work with him but he did not pay anything after that to prevent from being in the situation this year. The Selectmen told Steve that they would like him to try to get a loan against his Income Tax Return first and if he is unable they will go from there. Steve also said that he would sign his Tax Return over to the Town. The Selectmen said that they would like Steve to come tomorrow with the $782.61 and then come to the June 13th meeting and to bring his paperwork from H & R Block to discuss this future.

David Laney came to ask the Selectmen about a payment plan for his overdue taxes before the town takes his property by Tax Deed. After much discussion there was an arrangement made for payments of $75.00 a week (Monday) until the end of the year, which would pay the 2013 Lien, and to keep paying that amount until he gets caught up. These Selectmen asked Dave if he could come in next Monday to sign the paperwork and he said yes.

Mike Lynch came to talk to the Selectmen about the damage done to the town roads by ATV's Memorial Day Weekend. Mike said that there are 2 different things he would like to do. Mike told the Selectmen that he would like their permission to have more authority to go the ATV Club to discuss the issues with the town roads without coming to the Selectmen first. Mike said that a lot of the roads were torn up. Mike also said that he would be grading Diamond Rd. and he would like to try Sodium Chloride on that part of the Trail to see if it would works or not. Mike said that Christie Rd. has brand new gravel and that was also torn up and he would like to see the installation of cameras and maybe we can catch who is doing the damage. Mike said that he would talk to Fish & Game about the cameras. Mike said that most towns should not be putting main trails on town roads and there needs to be monitoring and discipline. Mike said that the roads should be open for access but not to ride on all day long. The Selectmen did say that they will back Mike for working with the ATV Club. Mike said that he thought the Sodium Chloride would be less than $1,000.00 and that he doesn't know that much about it but he will try it and see how long it last, etc. The Selectmen did ask Mike to get back to them when he finds out something concerning the cameras.

Clayton talked about the Police Department. After some discussion the Selectmen decided that they would like to hold a Business Meeting next Monday to discuss the PD and Non-Public at 4:00 pm and to invite Chief Wayne Hall to discuss the decisions that will be made.

Clayton also talked about River Street and that he could find no particular damage and talked about the improvement there has been since the house has been torn down. All of the Selectmen were in agreement that they were not concerned with River Street.

Clayton said that he went to see the holes in the Ballfield and he said that they do need to be repaired since the town would be liable. The Selectmen ask to have Mike informed that they would like him to put cones or construction barrels up until they are filled in.

The Selectmen discussed the plan for the parking lot and that it is not registered at Coos Registry of Deeds yet.

Jamie spoke about the LED Lighting Project and that they have two final quotes, one with the two Flood Lights to light up the Flags and one without. The Selectmen decided to go with the one with the two Flood Lights.

David/Macdonald (3/0 approved) motions to go with the quote with the two Flood Lights for a cost of $16,193.00.

Vicki DeLalla spoke to the Selectmen about the door for the back of the Grange Building and the possibility of having one available from a house that is going to be torn down. The Selectmen said that they would like another quote from Denis Corbil without the door included.

Vicki also asked why do people have problems with taxes but own houses?

[Ladd/Macdonald (3/0 approved) motion to sign the Manifest and ordered the Treasurer to sign A/P Checks #35401-35404 in the amount of $945.37 and DD P/R Checks in the amount of $1,219.48 and A/P Checks #35405-35415 in the amount of $9,532.65 in the Selectmen's Office on 5/23/16.
