Present: Ron Connary, Charles Goulet, Rose Connary

Agenda:

New business:

This year's budget we have approx.. \$2000.00 left to spend.

Charlie will contact Clark Jeffers about dumping rock in the washout by the Baldwin Cemetery.

Do we have to notify the state on what we are doing. Charlie didn't think so.

Charlie will contract a contractor about removing the pine tree by the Stevens lot. Also about cutting all the trees in that area and pushing over the bank.

Dana says he will be around next year if we need him.

Talked about Harry's new map for Center Cemetery. Do we enforce the corner stone rule that's in the by-laws? Without the map and corner stones for the lots, it's going to be hard for the new trustees to know where, lot size and who owns the lot.

Talked about next year's budget:

Dana work – Baldwin \$1200.00; Center \$2500.00

Thompson water seal all the fences - \$500.00

Grade the south side roads - \$500.00

Mowing - \$8000.00?? Want to use push mowers only in the Burnside Cemetery.

Misc. - \$1000.00

Cutting the trees by Baldwin ???

8:50am Rose called to adjourn the meeting. Charlie 2nd it.
