Selectmen's Work Session
Town Owned Properties/Clean Energy Program
September 9, 2019
3:30 p.m. at Fuller Town Hall

Selectmen present: Macdonald and Goulet: Suzanne Goulet

Clayton brought the Work Session to order at 3:30 p.m.

Suzanne addressed the Board about more rotting sections on the Train Station/Library Deck.

Suzanne addressed the Board about Caution Signs.

Suzanne informed the Board that the former Marshall Property on Bog Rd. is cleaned up.

Suzanne addressed the Board about a possible candidate for Selectmen.

Suzanne addressed the Board about the Roadside Mowing.

Suzanne addressed the Board about much needed Weed Whacking around the Town Entrance Signs and around a planted pot in the Hollow.

The Board discussed the Town Owned/Unknown Properties, which ones would be unable to sell, which ones can be sold, the Public Hearing, advertisement and who would need to be informed. The Board decided to hold a Public Hearing on October 16th at 6:00 pm.

The Board discussed the Clean Energy Program for Stratford. This would include energy audits, winterization, lighting, heating, etc. The Board discussed the town buildings that could use improvements such as the Town Hall, Town Garage, Fire Stations, Recycle, Grange Building, Library/Train Station and Sewer/Water Pump Houses and a possibility of electric car charging stations. The Board also discussed the process that may be involved and the grants that may be available.

Macdonald/Goulet (2/0 approved) motion passed to adjourn meeting at 5:05 p.m.
