

Stratford Planning Board Site Plan sub-Committee Meeting Minutes
7 June 2022

Meeting began at 6:30 pm. Attending: Rachel O'Meara, Chase Cavazos, Harry Juergans, and Vicki DeLalla.

We considered what activities might be exempt from site plan review and also decided not to distinguish between 'minor' and 'major' site plans at this time.

For next meeting, items to be discussed are procedures and submission requirements. Rachel has begun using the procedures from the Stratford subdivision regulations in the draft site plan document, but we will also look at other towns' procedures as well.

Meeting adjourned at 7:35 pm
