

Draft Minutes Planning Board Site Plan sub-committee
6 September 2022

Meeting began at 6:30 pm. Rachel O'Meara, Harry Juergens, Chase Cavazos, and Vicki DeLalla in attendance.

We reviewed the final first draft and made changes. Once the changes have been incorporated into the document, we will send it to Kaela Tavares at NCC for further comment and revision, before we present it to the full Planning Board.

With that in mind, we decided we no longer need to meet weekly. Our next meeting may be with Kaela, date to be determined.

Meeting adjourned at 7:45 pm.

Respectfully submitted,

Rachel O'Meara
