

**Selectmen's Work Session
Sewer Position
August 24, 2020
3:30 p.m. at Fuller Town Hall**

Selectmen present: Macdonald, Goulet and Juergens: Jillian Kilborn, Melissa Elander, Carlton Harris and Suzanne Goulet

Clayton brought the Work Session to order.

Jillian addressed the Board concerning the treatment of the Japanese Knotweed in town. The Board discussed the sites that have been treated in the past and some new sites of concern. Jillian said that they will do as much as they can since the Grants are limited.

Melissa addressed the Board about the Stratford Hollow Fire Station and spray foam insulation, the Town Garage building concerning solar power instillation/reinforcing the roof, Solar Feasibility Study, Financial Analysis, Assessing Available Sites, Engineering Recommendations and Grants/Due in December.

Suzanne addressed the Board concerning the Mowing Position/Applicant, Town Roads open to ATV Traffic.

Carlton was present at the request of the Board concerning the Sewer Position and the possibility of combining the Sewer and Water Departments as one full-time job, pay (hourly/salary) and benefits. Carlton said that he would like two weeks to think about it and he will get back to the Board with what he decided and what changes that he would like to see. Carlton said that both he and Chester Smart should be involved in the process of hiring for these positions and the Board agreed.

Carlton told the Board that the Hollow Fire Department used the hydrants for training and it blew a line at near the Library, that dig safe will be coming on Thursday and that the break will be fixed on Friday.

Macdonald/Juergens (3/0 approved) motion to adjourn the meeting at 5:10 pm.
