

Selectmen's Work Session
New Fulltime Maintenance/Public Works Backup Position
February 8, 2021
3:30 p.m. at Fuller Town Hall

Selectmen present: Macdonald, Goulet and Juergens: Jamie Sayen and Suzanne Goulet

Clayton brought the Work Session to order.

Jamie, a member of the SOCC, was present to discuss the upcoming meeting with Scott Mason/Fish & Game concerning OHRV's in small towns scheduled for March 1st at 3:30 pm. Jamie said that as far as F&G is concerned the town roads are the town's responsibility for enforcement. F&G is responsible for enforcement of trails only. The Board has adopted a Policy of OHRV's on town roads to see how it works and then possibly they will adopt an Ordinance in the future. Jamie said that F&G has not increased the number of officers since 1950. But the ATV's have come into play with a huge need for enforcement with only a few officers for the coverage. Along with many issues, liability and insurance is also a concern.

The Board began to discuss the new fulltime Maintenance/Public Works Backup Position. There was much discussion on the name of the position, pay, advertising, qualifications, benefits, responsibilities (jobs), etc. The Board would like to think about job title until next week. In the meantime, the ad will be drafted.

Macdonald/Juergens (3/0 approved) motion to adjourn the meeting at 5:32 pm.
