

Selectmen's Work Session
ATV's/Town Roads
June 29, 2020
3:30 p.m. at Fuller Town Hall

Selectmen present: Macdonald, Goulet and Juergens: Ted Burns, Bill Noons, Zack Burns, Kitty Kerner, Rachel O'Meara and Suzanne Goulet

Clayton brought the Work Session to order.

Kitty addressed the Board concerning Tax Season, Late Payments, Interest Forgiveness and how it wouldn't work for online payments. Kitty said that some towns are extending the due date to August 1st. After some discussion everyone has decided to leave things the way they have always been.

Suzanne addressed the Board concerning a phone message from Dick LaBonte informing the Board that he will be attending the July 6th Selectmen's Meeting at their request. Suzanne asked the Board if they would like the Health Officer present for this meeting and they agreed that would be a good idea.

The Board began their discussion concerning ATVs and which town roads that are open to ATV Traffic. The Board asked Ted to confirm what town roads the ATV Club uses. After some conversation it was discovered that some town roads were not included on the last permission form from the ATV Club to the town. Ted asked the Board if they would like an updated permission form from the ATV Club to the town and the Board decided this would be a good idea.

The Board also decided that larger signage and more signage is needed, the areas that need more signage and an updated ATV Trail Map would also be helpful.

Rachel asked the Board if they could put some signs up concerning roads without permission for ATV traffic so that people living on those roads can use the road just to get to the trails. The Board agreed that it would be a good idea and possibly signs would be ordered in the future.

Macdonald/Juergens (3/0 approved) motion to adjourn the meeting at 5:03 pm.
