May 4, 2020  
3:30 p.m. at Fuller Town Hall then at the Town Garage**

Selectmen present: Macdonald, Goulet and Juergens: Denis Corbeil and Suzanne Goulet

Clayton brought the Work Session to order.

Denis was present at the request of the Board. The Board asked Denis about the Material List for replacing the Train Station/Library Deck by volunteers. There was some discussion about the Material List, prices, volunteers and the Corona Virus and how it could affect the volunteer option. The Board said that they would like to weigh their options and make a decision at next Monday's Meeting.

At this point the meeting moved to the Town Garage.

The Board said that they would like to invite Chuck Stinson to attend next Monday's meeting to discuss the Police Cruiser and the Rescue Vehicle.

As the Board walked through the Town Garage, they made observations and remarks about the condition, the equipment stored there what the building might be used for and some other possible options. The Board did say that the building will need to be cleaned out first and foremost.

Macdonald/Goulet (3/0 approved) motion passed to adjourn meeting at 5:00 pm.
