

Selectmen's Work Session
Personnel
October 22, 2019
3:30 p.m. at Fuller Town Hall

Selectmen present: Macdonald, Goulet and Juergens: Suzanne Goulet

Clayton brought the Work Session to order.

The Board started by discussing RSA 231:75 and how it pertained to the Culvert Issue on Christie Road. Everyone agreed that the contractor should have notified the town and the homeowner, should have known it was going to need to be done and how it should have been part of his quote. The Board decided to reimburse Mr. St. Jean for the cost of the culvert. The Board decided to pay the contractor for the work done on Christie Rd. but put a hold on paying for the culvert instillation until they ask him to attend the next meeting to discuss this issue.

The Board discussed some town positions that are presently vacant or will become vacant in the near future. Salary, Benefits, etc. were discussed. It was also discussed about the possibility of combining some positions. The Board would like more time to do some research and talk to some people. The Board decided to hold another Work Session on Monday Nov. 4th to discuss Personnel and Roads.

The Board also decided that Nov. 11th is Veterans Day so they will be holding their regular meeting on Tuesday Nov. 12th at 3:30 pm.

Macdonald/Juergens (3/0 approved) motion passed to adjourn meeting at 4:55 pm.
