The Stratford Town Office remains open to the public

Per Emergency Order #74 from Governor Sununu, as of November 20

Masks are now required inside this building!

We supply masks for those who do not bring their own. We also encourage you to use the hand sanitizer we offer.

Thank you for your cooperation!

- If you are not feeling well, we ask that you refrain from entering the building. Instead, you can make use of our remote services either by mail or using our online payment tools. Call for more info or visit our website.
- Please bring your own pen, if you can 😊

Appointments are no longer required – and we ask you to please keep socially distanced while you wait (you can sit in the town hall, if the window is busy).

Overview of your remote service options:

Vehicle Registration Renewals

With online renewals, new registrations and tags will be sent to you by mail. Do not wait until the last of the month: depending on when the payment is made, it can take up to a week to get the registration to you. If your address has changed from last year, you will need to come into the office so we can change that.

Other options: call first to find out what your renewals will cost and send a check or money order by mail with a self-addressed, stamped envelope.

All other DMV transactions (new registrations, transfers etc) require that you come in person.

Tax Payments

Aside from online payment, you can also call or use the website to determine what you currently owe for taxes and then send a check or money order to the town office - but don't forget to let us know exactly what the check is for! Please include a self-addressed, stamped envelope if you would like to receive a receipt.

Vital Records

If you need a certified copy of a birth, marriage, or death record, we can mostly process that by mail as well. Please call or email to find out how to apply and what you need to send in. Marriage licenses can only be applied for in person – please call to make an appointment.

Dog licenses

They were due by April 30! They can be renewed online if rabies shots are current and on file. If not, we need proof of updated rabies vaccination – please send or drop off copy. We can also process a dog license via mail: call to confirm vaccination status and fees due and then send a check/cash with a self-addressed, stamped envelope.

Please call us at 922-5546 or send an email if you have any questions – we are at the office beyond the posted Tues/Wed hours and will get back to you as soon as we can.

Thank you for your consideration on behalf of the entire Town Office staff and the residents of Stratford.
